About
The Owner

Jaldheer Singh
Company Owner

Kartar Singh
Co-Founder

Thank you for considering us, one of the fastest growing Security and facility management solutions providers in India. We at HPS, believe in providing the comfort of assurance and trust to our customers. At core, our solutions are carefully integrated to ensure a and effectiveness. Our trained workforce prides itself on the subject of quality whereas our support staff thrives to create the most suitable plan for the employer.

As an organization, we are constantly excited about the idea of making a difference in your lives, creating a safer, cleaner and aesthetic place for you to reside in (work in). We do this by combining our market expertise and experience to consistently mold our functional verticals of on-field security, housekeeping. We're growing confidence in our ability with each passing year and consistently adapting to current industry requirements.

what We are

The co-founders have had a simple vision to provide employment to the lower income members of the society. HPS has emerged as a visionary in the field of facility management, that too in a short span of time. The discipline preached by the leadership is one of the core strengths of the organization. We take immense pride in our quality, cost-effective services; Gain confidence from our growing list of reputed clients.

A number of company have come to recognize and appreciate the services offered by HPS. Testimony to this would be our growing number of employees. What started out as a project with a team of just three employees in July 2024, currently boasts of 110+ security persons, and 100+ house-keeping staff in addition to 5 on field officers. HPS has constantly indulged in innovation and improvement.

This fact was reassured when our Owner received the ' **certificate from the many agencies OF HONOR'**
For his exprice

What We Offer

With our owner experience of 15 years of industry experience to the companies SLV/LE , we have established ourselves as one of the most reliable service management company in North-India. The success stems from the strong foundations reflected in our management staff. The team is broadly divided into 3 verticals: security, housekeeping & and consulting.

01 On Field Security

- Deployment of skilled / semi – skilled security guards, supervisors and security officers.
- Completion of mandatory training modules before deployment.
- Additional on-site trainings and transitions per requirement – customized solutions.
- Firefighting training and simulations per set routine.
- First aid knowledge transfer to all employees.

02 House-Keeping

- Improving landscape view through Gardening and Horticulture services on daily basis.
- Designing the landscape to attract commuters and involved stakeholders.
- Maintaining landscape in future and implementing new ideas at sites.
- Housekeeping and office boy staff deployment

03 Setup and Consulting

- Requirement understanding for all sites. Creating 'SOP' (Standard Operating Procedures) for daily work.
- Assessment of current security standards, suggestions and implementation.
- Use industry expertise to lay out a robust surveillance plan for sites.

Our Aim

To be one of the most trustworthy facility solutions vendors in India. By constant learning and focused development, we aspire to provide the highest level of quality services to our employer.

•Being consistent at providing well trained, disciplined service personnel
•Making trust, quality and integrity hallmarks of the way we do business
•Being innovative and seeking continual improvement

we do work

Our people make all the difference at HPS. Our human resources are our principal assets. Therefore, people management and their growth is the key to our success.

- We believe in treating people right and doing right by them
- Utmost commitment towards our clients, partners and employees
- Creating impact by contributing to the betterment of society by taking on responsibility

We do Work For right now

HPS is blessed to be servicing many leading businesses in a wide variety of sectors such as IT firms, Manufacturing, Educational institutions, Showrooms, Hotels, Govt. undertakings and Hospitals; with a specialization in commercial workplaces.

Our other major set of employment comes from residential complexes, sector RWAs, society pockets and other housing facilities. Below is a list of some of our most reputed clientele.

Recruitment & Training

The training and recruitment division at HPS is managed by Ex-Defense Service Person. As part of initial general requirement, basic training in military drill is imparted and the bearing of a ex. Serviceman is perfected. Trainings are provided to both armed and non-armed personnel under our industrial security services. All our instructors are trained under extreme conditions in armed forces to adapt themselves to handle difficult situations, therefore they are able to replicate the same for our candidates.

- Managed by Ex-defense Service Person
- Training methodology includes class room lectures and outdoor activities
- Syllabus is as recommended by Fire house
- Not only do we trained guards in class rooms, but continue on the job training so they meet out solutions best suited for you
- Soft skills and communication training to enable clear and quality experience
- Basic computer skills as per requirement
